**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

**We have looked at the Housing Authority with the goal of determining where we are and where we want to go and do. We have decided that our primary goal and objectives over the coming years is to manage the Stark County Housing Authority's existing rental assistance program and their Section 8 New Construction Program in an efficient and effective manner thereby providing safe, sanitary and decent housing for as many families as possible with the limited funds available stretching the dollar and meeting the needs of the most needy. Secondly, we will strive to expand the range and quality of housing for our clients by working with our existing landlords and housing stock and to participate, whenever possible, in new programs which may be established by Congress. At the same time, we will attempt to improve the condition and availability of our existing stock.**

**We have spoke with the Regional Planning Council to coordinate our needs with those stated in the North Dakota Consolidated Plan and we feel the following needs are consistent with that plan.**

- 1. There is a need for additional funds to meet the one bedroom needs of the elderly on the waiting list.**

**It does not appear that additional funds are needed at this time. We have a strong waiting list. We must strive to fully utilize the funds we have and once this is accomplished, we can more accurately predict if additional funds are**

**needed. We must be aware of our expendable dollars and strive to fully utilize them. Presently, as of August 1, 2003, we have expended 99.6% of our budgeted funds and in so doing, we are satisfying 100% of our baseline acclocation**

**First and foremost, the Stark County Housing Authority will provide safe, sanitary, and decent housing to our low-income residents through financial assistance, supportive services, efficient management and cooperation and support of the private sector.**
